Hancock Trip Update

The Keweenaw Peninsula recently received eight inches of new snow with more snow and cold weather on its way. The Houghton/Hancock Bridge is now open to snowmobiling and the mats have been installed on the bridge. All signs point to a good snowmobile trip. President Ron Planis still has a couple rooms reserved in his name for anyone still interested in going on this trip. If you are interested in one of these rooms, please do not contact the hotel. Instead contact Ron Planis as soon as possible.

Take Pictures-Win Money!

The Evergreen Snowmobile Club is looking for your pictures to put on the EGS Club Web Page. The club gets a lot of hits on the Web Page and would like to have pictures of club trips to show our visitors. Members are encouraged to send in pictures of previous trips. Send pictures to: webmaster@egsclub.net.

To encourage members to send in your pictures, an incentive program was recently approved at the last meeting in December, 2018. Starting with the Hancock, Michigan trip and for each trip thereafter, the club members who sends in

the most pictures per trip will receive a \$25.00 prize. As an additional incentive to send in your photos, the club members who sends in the most pictures for the season, or all four club trips, will receive free dues in 2019-2020, a \$60.00 value. So remember when you go on club trips, take and send in lots of photos. Again, email photos to: webmaster@egsclub.net.

Guest Speaker Welcomed

At the meeting on January 15, 2019 the EGS Club will welcome a representative from American Family Insurance. The representative will provide EGS Club members information about individual snowmobile insurance as well as club insurance. Members are encouraged to attend and participate in this presentation. Bring your insurance questions to the meeting and take advantage of some free professional advice.
