Welcome To Our 52nd Year

The Board of the Evergreen Snowmobile Club would like to welcome back all our members, and are looking forward to meeting and serving new members as well. As in the past our meetings are scheduled on the first and third Tuesday of every month, October through March, and into April if needed. Meetings will take place at Beggars Pizza, 15600 South Cicero, Oak Forest, Illinois. Club snowmobile trips may give reason to change the monthly meeting dates so please remember to check the EGS website, Facebook and the monthly newsletter for any meeting changes.

Yearly membership dues will remain at \$60.00 per year. Dues cover spouses and children under the age of 18. The Board asks that dues be paid before the annual Christmas Party. Membership forms will be available at the monthly meeting. Checks can be made out to the Evergreen Snowmobile Club.

EGS Survey Update

Whatever happened to the survey that members were asked to complete at the end of the 2016 season? President Ron Planis wants to assure members that the completed surveys were reviewed and discussed by the EGS Board. The Board concluded that the survey did not yield any consensus by the members as to the future direction of the Evergreen Snowmobile Club. However President Planis and the EGS Board values the opinions of its members. Members are encouraged to bring up any issues at the bi-monthly meetings for full discussions with your fellow snowmobilers.

Board Elections

The Annual EGS Club Snowmobile Season "Kick-Off" Party will soon be upon us. The "Kick-Off" Party is a wonderful social event that also includes one very important order of business. Each year at this event the members elect their officers for the upcoming season. Positions are President, Vice President, Secretary, and Treasurer. Any member interested in pursuing one of these positions can contact any current Board Member to express his or her interest.

Webpage Update

If you have logged on to the EGS.com website lately you will notice a stagnant site. Unfortunately there has been no recent updates to the site. President Planis and the Board are aware of this situation and are currently working to resolve the issue. Members and guests logging on to the website can soon experience an up-to-date and improved website. In the meantime, members are encouraged to use Facebook for the most current information on club happenings.
